**A Primer in Positive Psychology by Christopher Peterson**

This is a really good first edition of a text on positive psychology, and it would have benefited from updating and revision in 2016. The first half of the book is really solid, and the second half, though more sketched out, sets the stage for more research. I hope someone takes up the mantle and produces the next draft of this essential text.

**A Primer in Positive Psychology Oxford Positive Psychology**

Positive psychology is the scientific study of what goes right in life, from birth to death and at all stops in between. Every life has peaks and valleys; positive psychology does not deny this valleys, but holds that: what is good about life is as genuine as what is bad and, therefore, deserves equal attention from psychologists.
