China's stolen children: internal child trafficking in the ...
Trafficking in children has attracted worldwide attention in the last two decades primarily due to its links with global migratory movements and the role transnational organised crime is perceived to play in these. Internal trafficking is largely ignored primarily because of a preoccupation with cross-border, transnational migratory movements.
Crime in China - Wikipedia
Between 1957 and 1965, rural areas experienced little reported crime. Crime rates increased later. The year 1981 represented a peak in reported crime. This may have been correlated to the economic reform in the late 1970s which

- Department of Sociology - umac.mo
- China at the Cross-Roads. Abstract: Industrial Revolutions have historically led to a dramatic fall in violent crime rates. In China, however, we have seen a dramatic upsurge in the levels of violent crime during the modernization process. Anti-crime campaigns, or hard strikes against crime have been implemented to curb the tendency to no avail.
