## [Things to Know About Employment Drug and Alcohol Tests](#)

There are a variety of employment-related drug and alcohol tests used by employers. The types of drug tests that show the presence of drugs or alcohol include urine drug tests, blood drug tests, hair drug tests, breath alcohol tests, saliva drug screens, and sweat drug screens.

### [Pre-Employment Drug Screening Tests - Job Interviews](#)

The employment drug screening test has become a requirement for many companies. The majority of all Fortune 500 companies do employee drug testing. The US Department of Labor has estimated that drug use in the workplace costs employers up to \$100 billion dollars annually in lost work time, accidents, health care costs and workers compensation costs.
