However, many real estate brokerages, hoping to capitalize on the growing realization among consumers that real estate commissions are negotiable, have created market niches for themselves that promise to save sellers money and rebate commissions to buyers.

### [Difference Between a Real Estate Broker and an Agent](#)

A real estate broker is a step above a real estate agent. A broker generally has more education than an agent, but not always. A real estate broker can work independently or hire real estate salespersons. The exact rules can vary from state to state, but most have somewhat similar requirements.
