How Your Mind Can Heal Your Body by David Hamilton

It shows that your body has a cure for all diseases, you only need to know how to release your natural medicine from your own body. I also highly recommend all medical students to read this book before they graduate. They need to know that the human body is not a place for troubleshooting. They need to understand this book in order to not become butchers.

How the Mind Helps Heal the Body Mindful

Viewing difficult thoughts, feelings, and urges as impermanent events in the mind and body, trusting that they too will fade, just like the events that triggered them, I find I can handle life's challenges with more competence, trust, and confidence. I'm less likely to add a secondary suffering to the unavoidable stresses of living. Difficulties come, but they also go.
