And the conclusion is nothing short of Dickensian! What a great read! Summary: this book is about a girl who always moves around the world. One day she moves to a place that used to be magical but now not so much anymore. Felicity meets new friends and tries to get the magic back on the city. My Opinion: it was great but there was one part that I think they should add in about her dad Christian Worldview: It is involved with a lot of magic and there is no such thing.
