The Family Crucible Amazon de Augustus Y Napier B cher

The Family Crucible is MUCH more than a review of the techniques involved in family therapy. It is an invaluable resource because every family, not just those in critical situations, undergoes stress, change, and conflict. I would not describe this as a "how-to" book. Rather, it's an "ah-hah" book - it would be impossible to read this without seeing some aspect of your family in the pages. VERY insightful as well as just a good read.

The Family Crucible The Intense Experience of Family

In The Family Crucible, the story and information presented is anything but sleepy. I never would have chosen this book on my own, but am certainly glad it was assigned for my couples and family counseling course this term. I was drawn into the Brice family from the first page and had difficulty putting the book down.
